Seaside Events

Brighton i360 is one of Brighton's most unique beachfront event spaces with sea views and sun terraces. A variety of stunning indoor and outdoor spaces are available to hire for anything from a birthday party to a conference, a product launch to a wedding ceremony.

Imagine throwing a party on the giant glass viewing pod 138 metres high in the sky! Or holding your business meeting with a spectacular sweeping view across Brighton's beach. Or getting married on our outside Deck with elevated views of the sea and the West Pier as your backdrop.

This and so much more is available at Brighton i360. From a private sunset journey for two on the pod to a full building conference takeover, we have the experience and the passion for hosting a huge variety of events.

Private Events

- Private pod hire
- Parties for adults and kids
- Sky Dining for two to 120 people
- Weddings
- Drinks receptions
- Christmas parties
- Summer BBQ party

Sky High Venue

Why plan an extraordinary event at an ordinary venue when you can take anything from a speech to a dinner to a wedding sky high in our futuristic viewing pod?

As guests glide up gently to 450ft, the breath-taking 360-degree views will offer them a whole new perspective on Brighton, the South Downs and the beautiful Sussex coastline.

The pod can accommodate up to 175 people for a corporate event, private party or wedding. Alternatively, it is a unique and stunning location for a product launch, publicity stunt, music video or a marriage proposal.

If you're really looking to wow your guests, treat them to something extra special - a private Sky Dining experience. Watch the sea shimmer and the city lights twinkle far below as you enjoy a meal along with the epic views.

We strive to source and serve local products throughout Brighton i360 and the Nyetimber Sky Bar on the pod is no exception. Enjoy a glass of Nyetimber's finest award winning English sparkling wine produced in Sussex, a Brighton Gin cocktail, pint of Harvey's beer from Lewes or one of Folkington's delicious soft drinks.

Beachfront Spaces

The beachfront location and the extraordinary architecture of Brighton i360 make it an exceptional space in Brighton to hire. And with eleven event spaces in total, you're sure to find the right space to suit your event.

Natural light pours into the Brighton i360 beachfront building through full-height windows. The two largest event rooms, Attenborough and Birch, open out onto private beachfront terraces with fabulous sea views.

Moving walls and multiple rooms mean that the spaces can accommodate anything from intimate gatherings or meetings to major product launches, awards ceremonies or conferences for up to 1,000 guests.

Make the most of our unique venue by including a journey on the Brighton i360 pod for your guests!

All the spaces are fully accessible, feature superfast fibre optic broadband and high-quality AV facilities.

Sea View Dining

In the Brighton i360 kitchen, our team of chefs create delicious and appealing dishes using the freshest seasonal ingredients; many grown, reared, caught, or brewed within sight from the viewing pod.

Whether you're looking for a canapé reception, a breakfast buffet, beach BBQ or a formal banquet; our in-house team offer varied menu options to suit your event.

For the ultimate dining experience to impress your guests, Sky Dining in the Brighton i360 pod has got to be right up there. Enjoy a three-course meal over three pod journeys whilst gazing out at the city lights below you.

Our sea view restaurant, West Beach, is also available for private hire for casual dining and drinking.

Every event we host at Brighton i360 includes a dedicated Event Manager, catering and service team.

Open Air Spaces

All of our outdoor spaces have one thing in common – beachfront locations that offer incredible uninterrupted sea views!

Our beachfront south terrace is located just metres from the beach and sea, overlooking the iconic West Pier. The beach is a hive of activity and the high footfall along the promenade makes it the perfect location for brand activations, product promotions or a photo shoot.

Alternatively, host a bespoke event on The Deck, a large wooden deck that surrounds the pod and tower and offers incredible elevated sea views. This space can host outdoor drinks receptions, weddings, parties, Silent Discos, exhibitions and brand activations.

For a more intimate and exclusive outdoor event, the West Beach Café Bar has one of the few elevated sun terraces in Brighton. The Café Bar is housed in a beautiful reconstructed West Pier Toll Booth which leads onto a private sun terrace that sits above Brighton beach. It's the perfect spot for a summer party or wedding reception.

Extraordinary Experiences

If you're looking for an activity-based event Brighton i360 has a whole range of options.

Test your limits, get your pulse racing, face your fears and rise to the challenges of Extreme 360! Release your inner daredevil on Walk 360 – a sky high adventure where you walk 360° on top of the pod at 138 metres above Brighton. Combat the coastal aerial adventure of Drop 360 – a controlled abseil from the Brighton i360 pod high above the city. Scale new heights on Climb 360, climbing the internal ladders inside the tower to emerge at the very top – 162 metres above sea level! Nothing will get your heart pumping quite like these adrenaline-fuelled experiences at Brighton i360.

Alternatively, for the ultimate escapism experience book a private Yoga in the Sky class. Or if you're looking for a team activity with sustainability at its heart then we can help you to organise a beach clean.

We can also arrange for one of our brilliant drinks partners, such as Nyetimber or Brighton Gin, to host you and your guests on a private tasting experience on the pod or even a paired Sky Dining dinner.

The Finer Details

At Brighton i360, we pride ourselves on our professional and friendly service. This extends to all our private events, so the team on hand to host your event will be an Event Manager, a friendly event support team and our on-site security team.

Opening hours – Our event rooms are available for hire from 7:00am to 12:30am, 7 days a week. Last orders at midnight, music and entertainment until 12:30am, building fully vacated by 01:00am. Opening hours for the Brighton i360 pod, West Beach Restaurant and West Beach Café can be found [here](#).

Toilets – multiple accessible toilets are located all across our venue, including The Deck. There are no toilets on the Pod so we recommend comfort breaks, when the pod descends back to the beach building, every 45-60 minutes for private pod hires.

Wheelchair Access – Brighton i360 is entirely wheelchair accessible. Full accessibility information can be found [here](#).

Environmental / Sustainability – Brighton i360 was built with sustainability at its heart including producing its own energy to power the pod. [Read more](#) about sustainability initiatives at Brighton i360.

Electric Power Requirements – any electrical equipment brought in externally to our venue that requires power will need to be PAT tested. PAT certificates will need to be verified by us before your event in order to connect to our power supply for your event. Please advise us of all power requirements for the equipment when booking your event.

Catering – we will provide all catering and staff. However, we do allow exceptions for Birthday and Wedding cakes.

Decorations – you can decorate our private event areas to your liking within a few restrictions we have for health and safety reasons.

Floor plans – these can be provided on request

Additional items – uplighters, flip charts, entertainment, pod fairy lights etc. can all be provided for an applicable surcharge. Please ask for details.
