

British Airways i360, Brighton

Security Officers

Guest Experience Team

£9.00 per hour, varied hours/shifts per week (annualised hour's contract)

Do you thrive on working in a busy, customer focused role? Do you possess the confidence and "can do" attitude required to work for this iconic Brighton venue? Have you already gained experience working in a front-line public facing role? We are looking for Security Officers to support our guest experience team. With your customer focused, highly professional approach you will help us to deliver a safe and secure operation at our world class attraction.

A typical day will start by offering a warm welcome to guests at the entrance to the British Airways i360, you'll answer questions and direct to the right area of the business as required. You will carry out a security search of customers before they enter the pod and licensed areas and undertake surveillance of the building using CCTV equipment in line with SIA guidelines.

We are looking for self-motivated people who can work day to day with limited supervision. Great team players with excellent communication and interpersonal skills you will have experience in a comparable, high volume environment.

You must hold a valid SIA Door Supervisor Frontline Licence and be flexible and willing to muck in to help the operation run smoothly at all times.

You will work a variety of shifts each week, for a minimum of 15 hours per week. More hours up to 40hrs per week may be available during busy periods but are not guaranteed. We are open 24/7 for 364 days per year. You will be expected to cover early shifts and late evenings as the operation requires.

If you feel you would be a great fit for our team please send a CV and Covering Letter to jobs@britishairwaysi360.com explaining why you would be perfect to join our team. We will only consider candidates who hold a valid SIA Door Supervisor Frontline Licence and have the right to work in the UK.
